FOREWORD

We are attempting in this year-book to escape the format which has dominated high school annuals year after year. In this we recognize that we may as easily "goof" as succeed-but it is youth's prerogative to challenge the old and to try the new.

DEDICATION

Our superintendent has shown a genuine interest in our ideas and mainly because of his encouragement changes have been possible. In recognition of his personal interest, not only in our project but in all things concerning Brewster High School students, we dedicate the 1959 SHELOKUM to A. B. "JERRY" HAUGLAND.

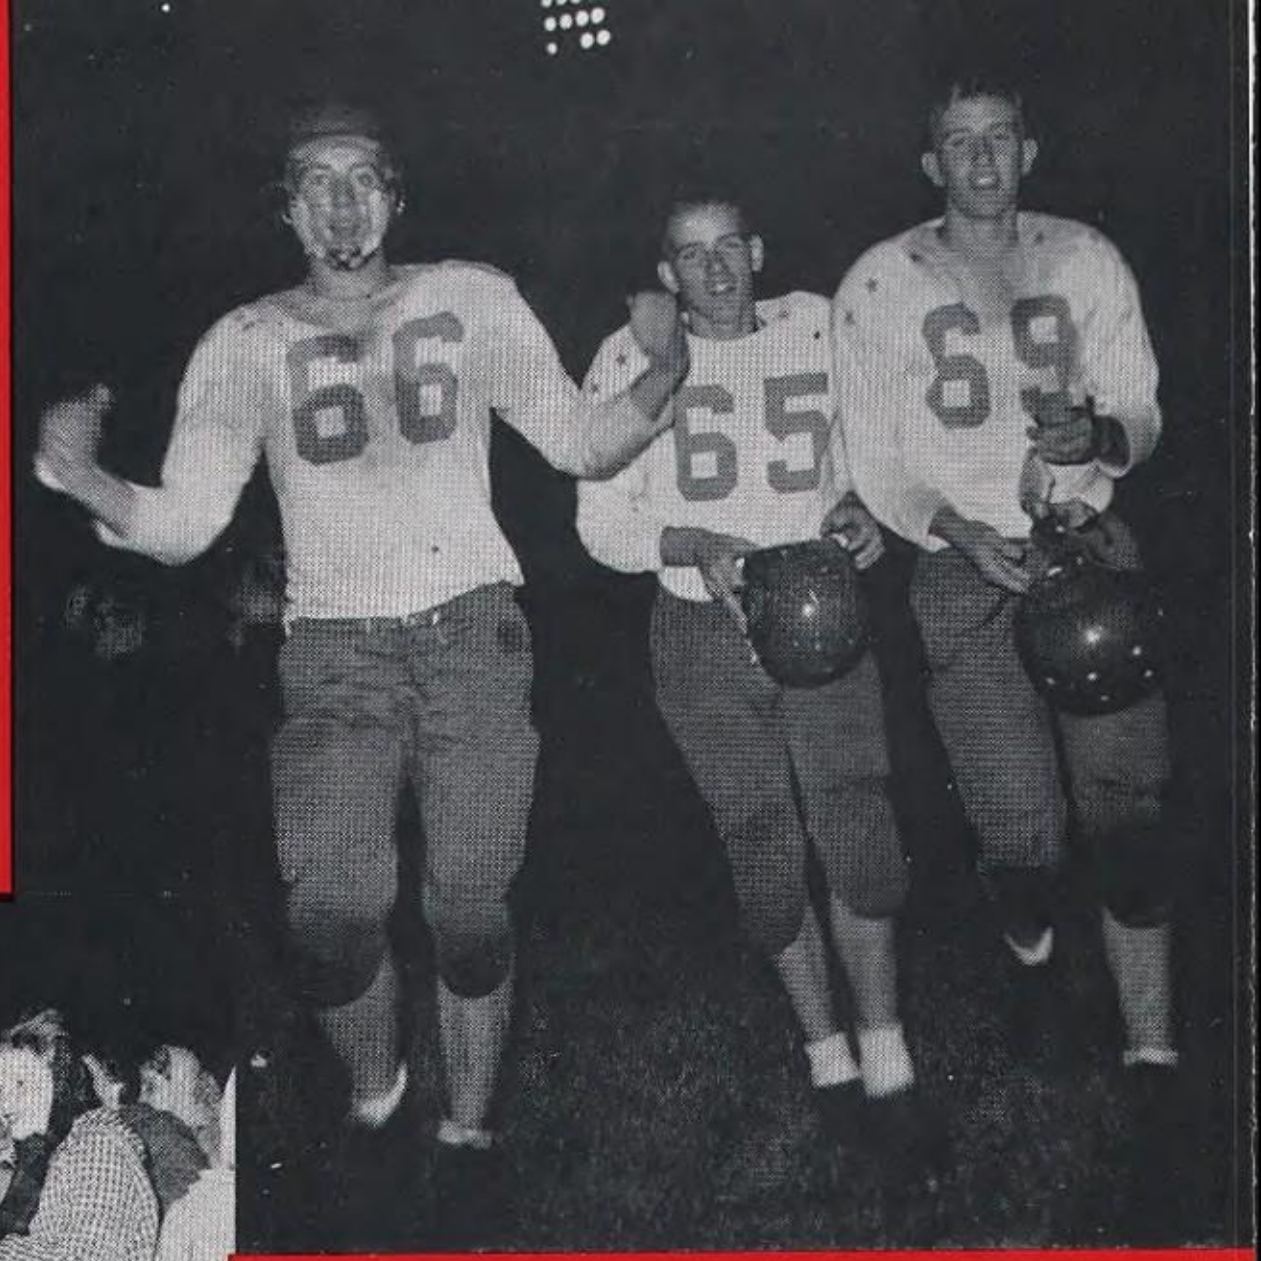
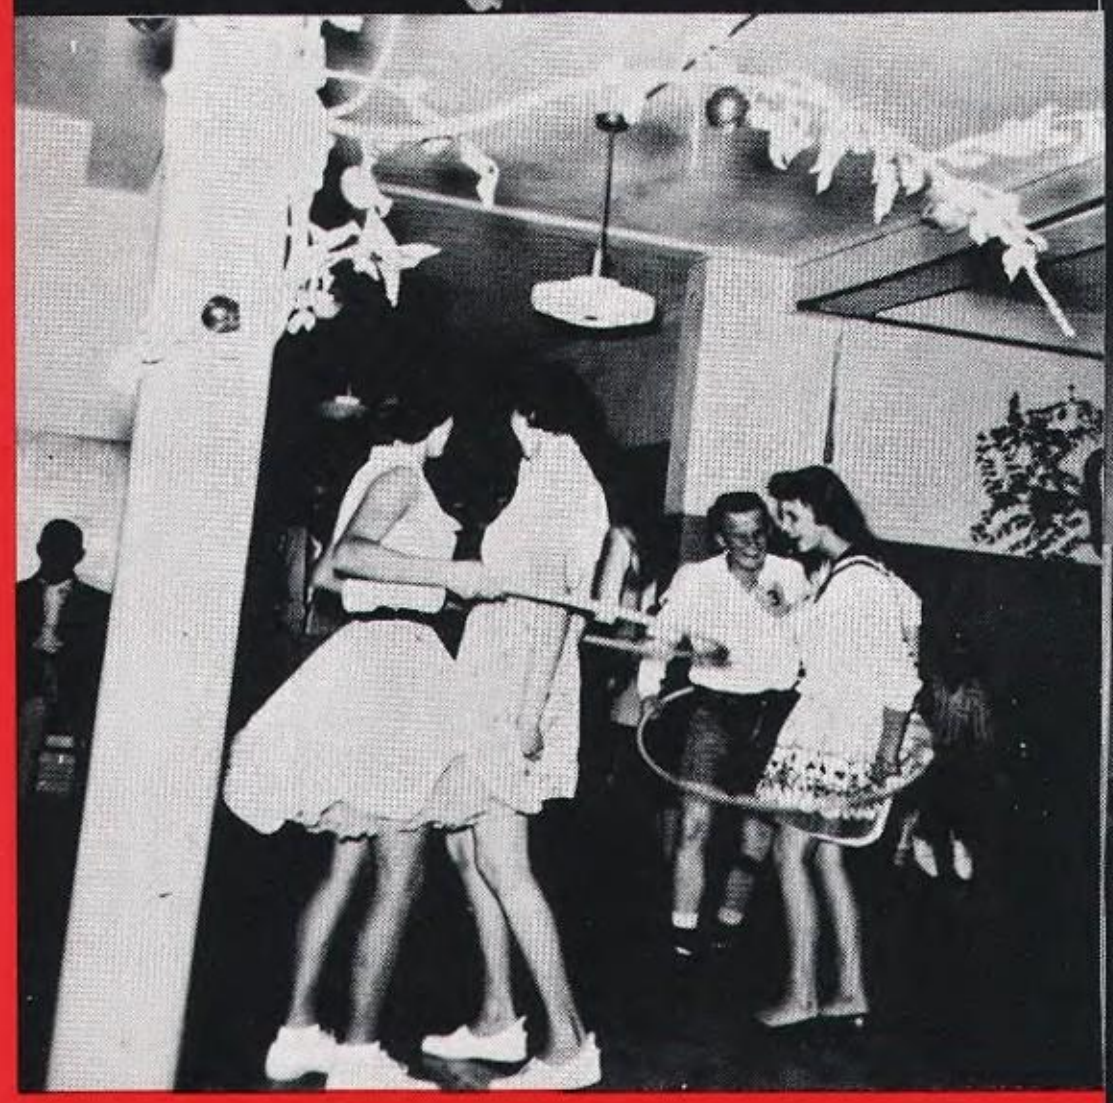
September 15 was marked by the Bears' triumphant capturing of the Okanogan Jamboree football championship.



Football Season was officially here

The social season opened with the annual Girls' Club Big and Little Sister party, September 23. Featured were the Girls' State reports by Dannis and Sue, the traditional Girls' Club cake and a wonderful time for everyone!

September 25, the sophomores officially welcomed the freshmen to B. H. S. with an informal initiation followed by refreshments and dancing. The "green apples" to their own and everyone's amusement demonstrated their skills with the hula hoops - 1958 craze of the young and the not so young.



The sophomores thank the senior girls, Diane and Loretta, for their help in the kitchen and a special THANKS goes to the two senior boys who did such a great job on the CLEAN UP COMMITTEE.....

September 29

Foreign Language Club initiated new members. Sue, Doug, and Diane officiated. Emphasis this year is on Russian.

October 14

Future Homemakers of America initiated new officers and welcomed new members. The impressive candle light ceremony was followed by musical numbers and games. New fashions were displayed.

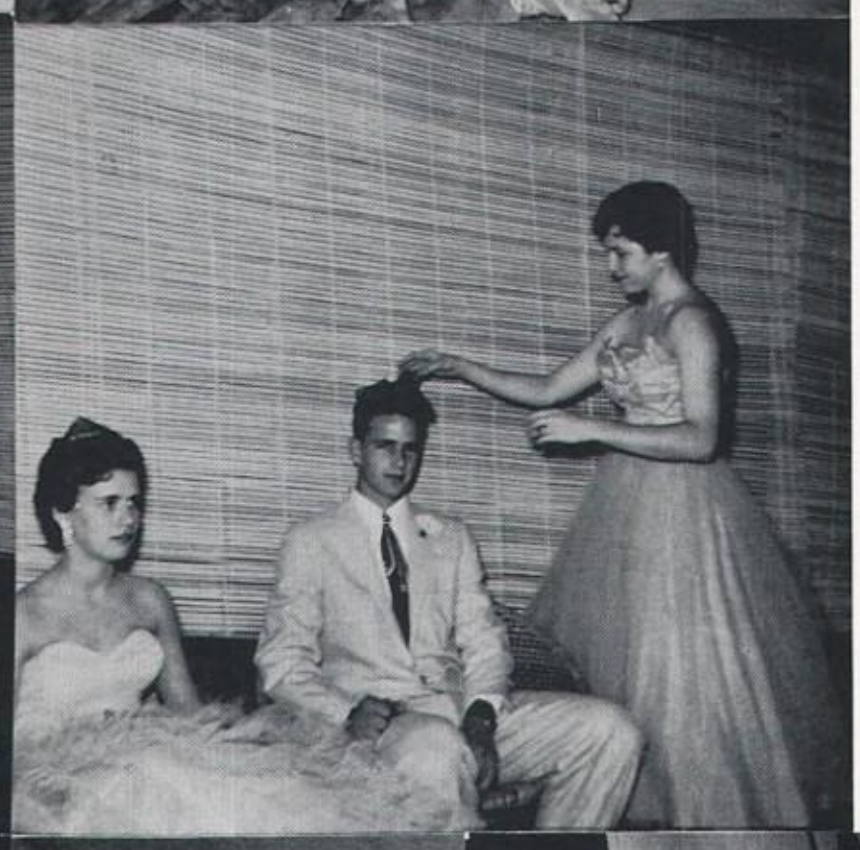
Sayonara



The annual Senior Ball was presented on the evening of November 8. Clever Oriental decorations carried out the theme, "Sayonara". Queen Dannis Folkes and King Larry Morley reigned over the gala affair. They were attended by Princess Ethel Hardcastle and Prince Roger Wert. Music was furnished by the "Moonlight Serenaders" of Omak.

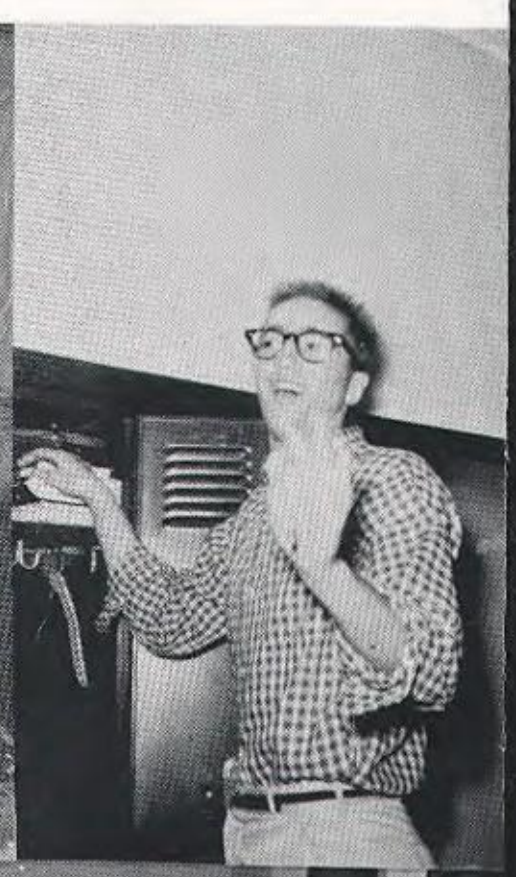
BEARS

HOLIDAYS WERE IN THE AIR

Bulletin boards, decorations by the geometry students, tantalizing odors from the home ec. room, Christmas only three school day away!
December 19, freshmen pep rally, Santa interviewing the "A" team, December 19 and 20, more victories for the Bears.
December 22, those tantalizing odors became a reality as the entire student body, invited by the sophomore girls, sampled goodies in the home ec room. Vernon appeared for the first time in glasses-sharp, some kids laughed and others thought of tests and term papers!



December 22

Deadlines had to be met! Editor, JoAnne, called her staff together. .. Vernon and Frank joined and between candy bars and potato chips they wrapped up Bear Facts Christmas issue and those first pages of Shelokum.....

Meanwhile Mr. Paoletti dreamed of a white Christmas and boot polish by the ton.....

Faculty carols.....

Juniors give a repeat performance for the seniors.....

We're dreaming of a big breakfast,
Just like the ones the seniors have.
Where the toast is burning and the pancakes turning,
And eggs frying in the pan.

We're dreaming of a big breakfast,
With every smell that comes our way,
Don't you feel like heels not giving
Us meals, so pass the pancakes, PRETTY PLEASE!!!!!

There they stand like
Birds in the wilderness,
Birds in the wilderness,
Birds in the wilderness.

There they stand like
Birds in the wilderness
WAITING TO BE FED!!!!!
